Few Companies working on Automotive AI platform:

(Source: https://www.ai-startups.org/top/self_driving_cars/)

1. Automotive Artificial Intelligence (AAI) GmbH

<https://www.automotive-ai.com/>

Expertise: Traffic simulation

2. Argo

<https://www.argo.ai/>

Expertise: Self-driving technology platform

3. Cruise Automation

<https://www.getcruise.com/>

Expertise: Autopilot system for existing cars

4. Waymo

<https://waymo.com/>

Expertise: Google Self Driving Car

5. TuSimple

<https://www.tusimple.com/>

Expertise: Self-driving truck
